*Human Resources*

To Applicant:

HireRight, Inc., in combination with ORU, will be verifying the information you provide during the pre-employment process and researching background information at our request. Background information may include previous employment, criminal history, qualifications, academic credentials, and, when applicable, credit and driving history. Our objective is to complete this process quickly. Please make every effort to accurately provide all of the information requested on the application.

A HireRight associate and/or a member of our recruitment team may contact you for additional information during the verification process. Please return the associate's or member's call or email promptly to help ensure that your application is processed as quickly as possible.

Thank you.
