Purposes of the University

Section 2.1. Purposes.

The University is formed to establish, maintain, and conduct a university for the promotion and advancement of education and higher learning and to confer such degrees and grant such honors as are usually and customarily conferred in accredited institutions.

The University is founded upon and shall forever be dedicated to the promulgation and preservation of Biblical Christianity and academic excellence. The University is a Christian institution with the distinctive Charismatic dimension of the Holy Spirit. The expression of the gifts and fruit of the Holy Spirit is to be encouraged.

The University seeks to educate the whole person with balanced emphasis placed on the development of mind, spirit, and body, harmonizing knowledge, skills, and attitudes with faith in, and commitment to, Jesus Christ as Lord and Savior, believing Him to be the only perfect, whole person who has lived.

The University is committed to the historic Christian faith of the eternal Godhead: Father, Son, and Holy Spirit who, through the new birth and indwelling of us as believers by His Spirit, is Lord of our lives now and forever. The University is committed to assist students in their quest for knowledge of their personal relationship to God, to mankind, and to the universe in which we live. Dedicated to the realization of truth as it is totally embodied in Christ and the achievement of one's potential life capacity, the University seeks to graduate an integrated person: a person spiritually alive, intellectually alert, physically disciplined in His work on earth, and living at all times in expectancy of the Second Coming of Christ.

To accomplish these purposes, the University seeks to synthesize, by means of interdisciplinary cross-pollination, the best traditions in liberal arts, professional, and graduate education with a Charismatic concern of the Holy Spirit himself to enable students to go into every man's world with God's healing power to help meet the totality of human need

Section 2.2. Restrictions. No portion of the income or other assets of the University shall ever inure to the benefit of any private individual or purpose, or to be used for carrying on propaganda or otherwise attempting to influence legislation for other than charitable, educational, religious, scientific or literary purposes.

ARTICLE III.

The members of the University shall consist of the members of the Board of Trustees then in office. Members shall have no power except in their capacity as Trustees or as otherwise required by Oklahoma law.

ARTICLE IV.

Board of Trustees

Section 4.1. Governing Body. The governing body of the University shall be the Board of Trustees (sometimes referred to herein as the "Board", and the individual members of the Board of Trustees are sometimes referred to herein as the "Trustees"). Except as may otherwise be provided herein, the Board of Trustees shall have and exercise all power and authority which may be given to and exercised by a board of directors of a for profit corporation under applicable law. The Board's ultimate authority is affirmed through its general, academic, and financial policymaking functions and its responsibility for the financial health and welfare of the University. The Board of Trustees shall exercise ultimate institutional authority as set forth in the University's Certificate of Incorporation, in these Bylaws, and in such other policy documents it deems to be appropriate.

Section 4.2. Number. The number of Trustees serving from time to time shall be not less than nine (9) nor more than thirty-three (33), as determined from time to time by the Trustees. In order to qualify for election as a Trustee, individuals must:

- i. acknowledge these core beliefs:
 - (1) The Bible is the expressed Word of God and is our final authority in all matters of faith and practice. (II Timothy 3.16; Psalm 119.89-91; II Peter 1.20-21).
 - (2) God, all-loving Creator of the Heavens and the earth, eternally exists in three persons: Father, Son and Holy

Spirit. (Genesis 1.1, 26; John 1.1-2; 4.24; Romans 1.19-20; Ephesians 4.5-6).

- (3) Jesus is the eternal and second person of the Trinity. Though fully Divine, He became fully human. He was born of the virgin Mary and lived a sinless life. He was crucified for crimes He didn't commit, and through His resurrection, freed all people from the power of sin and death. He will return again, ushering in the eternal Kingdom of God. All who respond to the work and teachings of Jesus by a personal belief that issues forth in personal obedience to Jesus and His teachings will live forever with Him. (Matthew 1.18-25; John 1.1; 12.44-45; Romans 9.5; Hebrews 4.15; Ephesians 5.2; I Thessalonians 4.16-17).
- (4) Salvation, a free gift from God, is God's desire for all humanity to be in right relationship with Him. In turning from a self-centered life and turning to God and accepting the work Christ accomplished in His death and resurrection, one receives new and eternal life. (John 3.16-17; 14.6; Ephesians 2.8-10; I Timothy 2.4; I John 2.2).

ii. acknowledge the University's spiritual commitments as set forth in the *Faculty and Administration Handbook*:

- (1) Confesses to be a child of God, redeemed by the life, death, and resurrection of Jesus Christ who has sent the Comforter, the Holy Spirit, to abide within.
- (2) Is open to releasing the prayer language of the indwelling Holy Spirit, as St. Paul did and taught in 1 Corinthians 14:14-15, when he said, “. . . I will pray with the Spirit, and I will pray with the understanding also,” and is willing to assist others in this experience.
- (3) Is manifesting the fruit of the Holy Spirit (Galatians 5:22-23, 25) and is desiring the gifts of the Holy Spirit (1 Corinthians 12:1-14) as an expression of love for all people in service through a community of faith and lay witness ministry in the world.

iii. demonstrate a commitment to and passion for the Mission of the University; and

iv. possess sufficient knowledge, experience, and skills to help discharge the business, professional; and spiritual duties of the Board.

Section 4.3. Term of Service. Trustees shall each be elected for a three (3) year term. To the extent possible, Trustees shall serve staggered terms, so that each year, the term of approximately one-third of the Trustees shall expire. In order to provide for staggered terms, the initial Trustees shall be elected for staggered terms of one year, two years, and three years. The initial Trustees and their initial term of office are set forth on Exhibit A. Trustees shall be eligible for reelection to a maximum of three (3) consecutive terms. Any Trustee who ceases to serve as a Trustee for one full year shall then be eligible for reelection. Trustee shall be elected annually by the existing Board of Trustees. A Trustee may vote for himself or herself to serve as Trustee.

Section 4.4. Trustee Removal and Discipline. Any Trustee may be disciplined or removed from office at any time, with or without cause, by the affirmative vote of two-thirds or more of the whole Board. Any Trustee who misses three (3) consecutive meetings of the Board of Trustees shall be considered for removal. In the event of an issue concerning a Trustee's misconduct and/or the appropriateness of his or her continued service as a Trustee, the matter shall be referred to the Committee on Trustees. The Committee on Trustees shall take appropriate actions to determine the relevant facts and report the findings to the Leadership Committee. The Leadership Committee shall determine whether a recommendation shall be made to the Board of Trustees for removal of the Trustee or other disciplinary action. In the event a recommendation for removal or disciplinary action is made by the Leadership Committee, the matter shall be heard at a regular or special meeting of the Board of Trustees. The Trustee shall be given notice of the recommendation for removal or discipline; the basis of the recommendation; and afforded an opportunity to be heard by the Board of Trustees regarding the grounds for removal or discipline. The Leadership Committee shall have the authority to take interim action regarding the Trustee pending the outcome of any investigation or Board vote, including suspension of the Trustee. The decision of the Board of Trustees regarding removal or discipline shall be final.

Section 4.5. Place of Meetings. Meetings of the Board of Trustees may be held at any place, within or outside the State of Oklahoma, as designated by the Board Chair or the President.

Section 4.6. Annual Meetings. The Board of Trustees shall have an annual meeting during each calendar year.

Section 4.8. Special Meetings. Special meetings of the Board of Trustees may be called by the Board Chair at any time and shall be called by the Board Chair upon the written request of at least one-third (1/3) of the Trustees. Notice of any special meeting shall be given to each Trustee not later than three (3) days before the day on which the meeting is to be held. Notice of any meeting of the Board of Trustees need not be given to any Trustee if that Trustee either signs a written waiver notice before or at the meeting or if the Trustee attends the meeting, except for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

Section 4.9. Action Without Meeting. Any action required or permitted to be taken at any meeting of the Board of Trustees may be taken without a meeting if all Trustees consent to the action in writing.

Section 4.10. Presiding Officer and Secretary at Meetings. Each meeting of the Board of Trustees shall be presided over by the Board Chair, or in his or her absence, by the Vice Chair, and if neither is present then by such Trustee as shall be chosen at the meeting. The Secretary, or in his or her absence an Assistant Secretary, shall act as secretary of the meeting, or if no such officer is present, a secretary of the meeting shall be designated by the Board Chair presiding over the meeting.

Section 4.11. Quorum and Voting. A majority of the total number of Trustees present and having the right to vote shall constitute a quorum at any meeting. The vote of a majority of the Trustees in attendance at a meeting at which a quorum is present shall be the act of the Board of Trustees, except where these Bylaws expressly require a greater number of votes. Only Trustees with the right to vote are counted in determining both a quorum as well as the number of votes necessary for an act of the Board.

Section 4.12. Meeting by Telephone or Other Electronic Means. Members of the Board of Trustees or of any committee thereof may participate in a meeting of the Board of Trustees or of such committee by means of conference telephone or similar communications equipment by which all persons participating in the meeting can communicate with each other. Such participation shall constitute presence in person at such meeting.

Section 4.13. Compensation. Trustees shall not be compensated for their service as Trustees or as members of committees. However, Trustees may be reimbursed for reasonable and actual out-of-pocket expenses incurred by them related to the performance of their duties. Section 4.14. Resignations. Any Trustee, member of a committee or other officer may resign at any time by giving written notice thereof to the Board Chair or the President. Such resignation shall be effective at the time of its receipt unless a date certain is specified for it to take effect. Acceptance of any resignation shall not be necessary to make it effective.

Section 4.15. Filling of Vacancies. Any vacancy in the office of Trustee may be filled by the Board of Trustees. Any Trustee so chosen shall hold office for the remainder of the term of service associated with that office or until his or her successor shall be elected and qualified.

Section 4.16. Trustees Emeriti. A Trustee who in the opinion of the Board of Trustees has served with distinction for two or more terms may be elected by the Board as a Trustee Emeritus for a three (3) year term, and then may be reelected without limitation. Each Trustee Emeritus shall have the same rights and obligations as a Trustee, except that a Trustee Emeritus shall not have any voting rights and shall not be eligible to serve as an officer of the Board or on any standing committee of the Board. A Trustee Emeritus shall not be counted as a member of the Board of Trustees in determining a quorum.

Section 4.17. Board of Reference and Advisory Boards. The Board of Trustees is authorized to establish one or more advisory boards and shall establish a Board of Reference. The Board of Trustees shall have the power to determine the qualifications for service on such boards and shall be responsible for appointing and removing members of such boards and their terms of office. The purpose of such boards is to provide for effective communication and informative exchange and service among the public, this University's stakeholders, and the University.

Section 4.18. Initial Election as Trustee. The initial election as Trustee confers on the individual all of the rights and responsibilities of a Trustee except for the right to vote on matters that constitute an act of either the Board or a Standing Committee of the Board. The right to vote on matters constituting an act of the Board and/or a Standing Committee of the Board shall be conferred on the newly elected Trustee at the commencement of their actual physical attendance of a regular meeting of the Board as defined in Section 4.7 following their initial election.

To the fullest extent and in the manner permitted by the laws of the State of Oklahoma and specifically as is permitted under Section 1031 of Title 18 of the Oklahoma Statutes or its successor or any other law which may hereafter be enacted granting to a corporation the powers of indemnification, the University shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the University, by reason of the fact that such person is or was a Trustee, officer, employee or agent of the University, or is or was serving at the request of the University as a Trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit, or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the University, and with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the University, and with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 10.2. Indemnification in Action by or in Right of the University. The University shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the University to procure a judgment in its favor by reason of the fact that he or she is or was a Trustee, officer, employee or agent of the University, or is or was serving at the request of the University as a Trustee, officer,

employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the University; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the University unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Section 10.3. Further Indemnity. To the extent that a Trustee, officer, employee or agent of the University has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 10.1 or 10.2 above, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection therewith.

Section 10.4. Limitations on Indemnity. Any indemnification under the provisions of Section 10.1 or 10.2 above, unless ordered by a court, shall be made by the University only as authorized in the specific case upon a determination that indemnification of the Trustee, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Section 10.1 or 10.2, as applicable. Such determination shall be made:

- (a) by a majority vote of the Board of Trustees who are not parties to the action, suit or proceeding, even though less than a quorum;
- (b) by a committee of the Board of Trustees designated by a majority vote of Trustees, even though less than a quorum; or
- (c) if there are no such Trustees, or if such Trustees so direct, by independent legal counsel in a written opinion.

Section 10.5. Advance of Indemnification Expenses. Expenses incurred by an officer or Trustee in defending a civil or criminal action, suit or proceeding may be paid by the University in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Trustees in the specific case upon receipt of an undertaking by or on behalf of such Trustee or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the University as authorized by the provisions of this Section. Such expenses incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the Board of Trustees deems appropriate.

Section 10.6. Other Indemnification. The indemnification herein provided shall not limit the University from providing any other indemnification permitted by law nor shall it be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of members or disinterested Trustees or otherwise, both as to action in

his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Trustee, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 10.7. Insurance. The University may purchase and maintain insurance on behalf of any person who is or was a Trustee, Regent, Director, officer, employee or agent of the University, or is or was serving at the request of the University as a Trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the University would have the power to indemnify him or her against such liability under these provisions.

Section 10.8. Other Entities. For the purposes of this Section, references to “the University” shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its Trustees, directors, officers, and employees or agents so that any person who is or was a Trustee, director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a Trustee, director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Section with respect to the resulting or surviving corporation as he or she would have with respect to such constituent corporation if its separate existence had continued.

Section 10.9. Former Regents, Officers, Trustees and Agents of the University. Nothing herein shall be deemed to eliminate any indemnification rights for which former Regents, officers, Trustees, and agents of the University were entitled under the prior Bylaws.

Section 10.10. Limitation. Notwithstanding any of the foregoing, to the extent that indemnification under this Article X would result in a prohibited transaction or an act of self-dealing under Section 4941 of the Internal Revenue Code of 1986, amended (the “Code”), such indemnification is prohibited.
